Emily and Special Master Cohen:

I apologize for the delays today.

We have been in communication with the Clerks office regarding the difficulties in this filing.

Attached please Reply Brief in Support of Class Certification and the motion to exceed page limits that we are in the process of filing with court right now. We will circulate the unredacted exhibits as soon as we are done filing.

As Tom Bilek discussed with Emily we are amenable to allowing the Defendants to file a 10 page sur-reply in light of our request to exceed page limits. I can assure both of you that we did everything in our power to reduce the size of this brief and we were able to keep it to 40 pages.
